Addendum Number 5

Hurricane Florence EWP (Environmental Watershed Protection) – Construction Phase Bid

September 13th, 2022

To all holders of Bid Documents, please be advised of the following:

Included within this addendum is the following information:

- A second site viewing opportunity will be held on **September 16th, 2022 at 8:30 AM**. We will start at the Dark Branch Site meeting at approximately 468 Dark Branch Road, Kenansville NC, 34°59'33.8"N 77°53'45.4"W. The group will then go to the Sarecta Road site as well as Tandem. This meeting is an optional second site showing for the convenience of potential contractors.

Contractors shall acknowledge receipt of this and all previous addenda in their bid submittal package.

******* All other contract requirements remain unchanged. *******

The contractor is required to acknowledge receipt of this addendum in their bid submittal package.
