

**FY 2022-2023
BUDGET**

MEMORANDUM

To: Board of Commissioners
From: Davis H. Brinson, County Manager
Date June 1, 2022
RE: Budget Message 22-23

BUDGET PROCESS

The NC Local Government Budget and Fiscal Control ACT (NCGS Chapter 159) prescribes that the County Manager (acting as budget officer) shall prepare and submit for consideration by the Board of Commissioners an annual budget and capital program. Such budget is submitted in whatever form or detail the Board may specify, and should contain a concise explanation of the government goals fixed for the budget year, should explain important features of the activities anticipated in the budget, should set forth the reasons for stated changes from the previous year in program goals, programs, and appropriation levels, and should explain any major changes in fiscal policy. In accordance with law, I respectfully submit this budget message and recommendation budget for Board consideration.

The recommended budget seeks to ensure that the County's financial standing remains strong and also supports priorities consistent with Duplin County's mission to promote the health, safety, economic security and quality of life for our citizens. The budget proposal also seeks to enhance the resources needed to adequately provide the board array of programs and services that our citizens expect from their local government.

On behalf of the budget committee, this Budget Message accompanies the FY 2022-2023 County Manager Recommend budget and his hereby submitted for the Board's consideration and adoption. As required by NCGS 159-12, notice was given and the required public hearing will be held on June 6, 2022 at 6:00 p.m. in the Ed Emory auditorium of the Lois G. Britt Agricultural Building. As required by NC General Statute 158-7.19 (C), notice of the public hearing also specified that the hearing and budget included appropriations for Economic Development.

SUMMARY

The FY 22-23 General Fund Budget of \$66,747,907 is in balance with the tax rate of \$.715 per \$100 of assessed valuation plus a \$.02 per \$100 assessed valuation to be placed in a capital reserve fund for a total tax rate of \$.735. Other funds are also in balance. The appropriation from the Fund Balance of the General Fund is \$2,753,796. It is an accepted practice to show an appropriation from fund balance to balance the budget. This practice has limited the amount of increase to the tax rate and/or prevented unnecessary reduction in the services available to our citizens. Each year we strive to hold expenditures down and not use our savings. The amount we are budgeting from fund balance for FY 22-23 is \$175,991 or 6% less than was appropriated in FY 21-22. This is a nominal decrease in comparison to the total budget.

AUDIT

In FY 21, the County's unassigned fund balance increased by \$5,734,497 over FY 19-20. The FY 20-21 unassigned fund balance as a percentage of expenditures is 24% compared to 17% at the end of FY 19-20. This is more than the Local Government Commission's recommended unassigned fund balance. The unassigned fund balance is an important measure of a government's liquidity.

BUDGET HIGHLIGHTS

Revenue

The FY 22-23 tax rate is \$.715 per \$100 assessed valuation plus a \$.02 per \$100 of assessed valuation to be placed in a capital reserve fund for a total tax rate of \$.735. The capital reserve fund has been set aside by the Board of Commissioners to address both short term and long term capital needs which may include items such as: adequate replacements for an aging vehicle fleet; much needed repairs and upgrades to County facilities and capital construction projects such as an animal care control and adoption facility; a new facility to co-location the Serves for the Aged and Veteran's Services Offices and a new detention facility (jail); an emergency services complex; as well as for parking lot repairs/additions; roof repairs/replacements and HVAC systems repairs/replacements.

The estimated revenue generated by one cent on the tax rate is \$461,085.

According to our Tax Administrator, the growth in the value of real property in the county since last year of approx. \$79,249,492 is a modest increase of 1.9% over FY 21-22. The total valuation of all property is in the county including real, public service and vehicles is estimated to be \$4,761,656,507.

Revenues budgeted to be collected from prior year ad valorem taxes are budgeted at \$900,000 and remains unchanged from last fiscal year.

Department revenue estimates are projected to be higher than last year because of increases to real estate related fees such as inspections and Register of Deeds fees.

Projected sales tax revenues are estimated to remain flat compared to previous fiscal years. We saw a significant increase in sales tax revenue during FY 21 realizing a 14% increase in receipts over FY 20. However, the uncertain economic climate as a result of inflation and the looming threat of a possible recession have already combined to cause an estimated decrease in sales tax revenues in FY 22.

The state revenues category is budgeted at a decrease over the previous fiscal year. The decrease is result of pandemic related Health Department grants sunsetting.

Fire district tax rates remain unchanged in FY 23.

This year the County will take advantage of being able to use American Rescue Plan Act funds for revenue replacement. The American Rescue Plan act provides up to \$10,000,000 to each recipient to be used a revenue replacement for general government services. The County will use approximated \$9 million of its fund for revenue replacement in FY 23 and FY 24.

EXPENSES

Employee Compensation and Benefits

The FY 2022-23 budget salary and benefits budgets increased as a result of the approval of a pay and classification study on April 2, 2022 by the Board of Commissioners. There are also mandatory increases to employer paid retirement contributions.

The recommended budget includes an estimated \$4,500,000 for implementation of the approved pay and classification study. There is one new operations officer position recommended for Emergency Medical Services Department and one new maintenance position that will be assigned to the Events Center. One full time position in the Finance Office will be abolished and replaced with a substitute position. The number of budgeted employees in the general fund budget total 521 of which 502 are full-time and 19 are part-time. In the enterprise funds, there are no new positions added. The number of budgeted positions in the enterprise funds total 71 of which 42 are full-time and 29 are part-time. The recommended budget includes a request to reclassify two part-time transportation specialist positions in the Public Transportation Department to full time employees. The number of employees will not be increased under any circumstances without permission from the Board of County Commissioners.

Health Insurance premiums for individual employee coverage is budgeted at \$838.68 for FY 22-2023. This an increase of \$31.55 or 3.9% per employee per month in the budget. The County joined the North Carolina Health Insurance Program in FY 21. This change helps the County control employee health insurance costs be pooling costs with other local governments across North Carolina. We continue to endeavor to make any and all efforts to contain cost through our employee wellness program which have proven very effective. The County continues to set aside .02 cent of taxes to cover retiree and employee health insurance costs. The total recommended budget for providing employee and retiree health insurance from the general fund is approximately \$6.2 million.

Our workers compensation insurance renewal for FY 2022-23 has been bound at \$301,900 which is a decrease of \$38,476 over the premium paid in FY 2021-22. This is due to claims remaining relatively stable.

CULTURAL & RECREATIONAL

The Cultural & Recreational budget includes funds for Cabin Lake County Park to purchase a tractor and side mower.

EDUCATION

Contributions from the General Fund to the Board of Education is recommended at \$9,464,000. This figure is based on the funding formula of almost \$1,007 per student times the average daily membership of 9,394.

General Fund

Current Expense	\$9,464,000
Capital Recreation	\$250,000
Debit Service Transfer	\$1,582,967

In addition, the Board of Education benefits from the following allocations from:

Capital Reserve School Fund – Fund 22 (these revenues come from restricted sales taxes)	
Capital Improvements to Sites	\$ 440,045
Capital Outlay Recreation	\$-0-
Capital Outlaw Elementary	\$-0-
Capital Equipment & Furniture	\$170,000
Capital Vehicles	\$130,000
Debt Service to School	\$ 2,414,228

Current expenses and capital outlay contributions to James Sprunt Community College (JSSC) increased \$135,495 over the FY 2020-21 budget. The contribution for JSSC current expenses is budgeted at \$1,979,695. The contribution for the college's capital outlay increased by \$50,000 to \$300,000 to continue to support the college's regular maintenance and repairs.

GENERAL GOVERNMENT

In the General Government budget funds were appropriated for purchase a vehicle lift for the County garage. The recommended budget also includes a disaster recovery server that will provide a backup IT solution and connections for all software systems used by County government in the event of an emergency. The General Government budget also includes funds for the purchase of a transit van for the Information Technology Department.

HUMAN SERVICES

The recommended budget includes funds to be transferred to the capital project fund to replace the roof on the Health Department.

ECONOMIC & PHYSICAL DEVELOPMENT

The Economic Development Department will be expending an additional \$10,187 more over last year's budget due to salary increases. Economic incentives to businesses will remain the same as was budgeted in FY 21-22.

CONTRIBUTIONS/TRANSFERS

The contribution to Eastpointe Managed Care Organization to assist individuals and families in Duplin County who struggle with substance abuse, mental health and intellectual and developmental disabilities will be \$224,474.

The contribution to the NC Forestry Service to help them manage our forest resources and to help provide and support wildfire suppression in Duplin County will be \$165,072.

The contribution to support operations at the Duplin County Airport is budgeted at \$148,887.

The Duplin County Veteran's Museum and the Duplin County Fair Association will be receiving a contribution in the amount of \$1,000 each.

The County contribution to our Volunteer Fire Departments remain the same at \$26,054 per in-county department and smaller amounts going to three out of county departments with service districts in Duplin County. In addition, estimated revenues of approx. \$900,000 from the Article 46 ¼ cents sales tax, will be distributed equally to all in-county fire departments and prorated to three out of county departments with service districts in Duplin County.

PUBLIC SAFETY

The Sheriff's Office has been allocated funds to purchase eight (8) patrol vehicles and funds to service debt for new radios purchased in FY 21. There are no capital requests for the Jail in the recommended budget.

The Emergency Medical Services (EMS) Department requested the following items and which are included in the recommended budget: one (1) new ambulance, one (1) power load lift assist system, one (1) F-150 and one (1) remounted ambulance. In addition, they will receive funds to cover annual lease payments for defibrillators purchased in FY 22. The budget includes funding for eight (8) EMS stations and their shift structure is unchanged.

The recommended budget includes funds to purchase and upfit one (1) F-150 for the Animal Services Department to replace an existing vehicle that has met its useful life.

ENTERPRISE/OTHER FUNDS

All of the Enterprise Funds are balanced. All enterprise funds have increases in operational costs due to the implementation of the pay and classification study and increases to employer paid benefits.

The recommended budget includes a \$20 increase to the household user fee and a \$10 per ton increase to the tipping fees at the Solid Waste & Recycling Department to cover the increasing costs of operations and necessary capital purchases and improvements. The household user fee has not been revised since 1994 when it was raised from \$66 to \$90. It is unreasonable to sustain operations without an increase over a 28-year period. In more recent fiscal years, the Solid Waste/Recycling fund balance was used for capital improvements to avoid increases to user fees. This is no longer sustainable.

The Solid Waste & Recycling Department will use disposal enterprise funds to purchase one (1) fork lift for recycling warehouse operations.

The County's General Fund will contribute of \$148,887 to help with operations at the Airport.

The Public Transportation Department will use a combination of federal, state and local funds to purchase three (3) new transit vans.

The County Water Department will be using its own funds to support regular operations. No capital purchases are planned for the Water Dept. in the FY23 budget.

CAPITAL PROJECTS

In the upcoming fiscal year, Duplin County government will begin the construction of two facilities and initiate the planning for several other major capital projects. The Public Transportation Department will begin the construction of a new public transit facility to be funded with a combination of federal, state and local funds. I also recommend to the Board that the Animal Services Department begin construction of a new Animal Care, Control & Adoption Facility to replace the current shelter because its age and size has become inadequate to meet the current needs of the County. This facility will be constructed using a combination of grants, loans and an appropriation from the County's capital projects fund. The Events Center will make use of a grant from the NC Dept. of Agriculture and Consumer Services to add an additional paved parking area adjacent to the building in the first quarter of FY23.

In addition, Duplin County has received and is holding in reserve over \$30.3 Million from the General Assembly to be used for the planning and construction of a new Emergency Services Complex, a new facility to co-locate the Senior and Veterans Services Departments and a new detention facility for the Sheriff's Office. The procurement architectural and engineering services for the planned facilities will take place in early FY23 with construction of the Senior and Veterans Services Center likely to begin by the end of FY23. Due to the scope and complexity of the Emergency Services Complex and Detention Facility projects, construction will not likely begin until FY24.

CONCLUSION

The financial position of Duplin County is stable, yet we must remain ever vigilant to assure that we continue to deploy sound financial reasoning as we make future budgetary decisions.

I would like to sincerely thank my Administrative Assistant Trisha-Ann Hoskins, Asst. County Manager/Airport Director George Futrelle, Finance Officer Tracy Chestnut and her staff, the Department Heads, County employees and the members of the Board for their support in helping to develop our FY 2022-23 County Budget. It truly takes a team effort to craft such a complex spending plan that not only meets our current needs but also helps up put resources in place that support our future goals for our County government.

We have emerged from the COVID-19 pandemic but are still facing the lingering economic consequences, including inflation rates not seen in decades, record high prices for fuel and food, challenges in the labor market and rising interest rates. All of these factors are leading most economic analyst to predict that the US economy will enter a recession by the end of the 2022. I believe that Duplin County government is in a good position to weather the effects of the expected economic downturn as we have been conservative in our spending in the past few years and have built up adequate reserves to insulate us from the negative effects that a recession may bring.

Finally, I would just like to thank the Board of Commissioners for allowing me the privilege of serving the citizens of Duplin County as County Manager. I remain excited about the future of Duplin County and my staff and I look forward to working with the Board and the citizens of Duplin County as we constantly strive to make our community a great place to work, farm, live, play and prosper.

Sincerely,
