Addendum Number 3

Hurricane Florence EWP (Environmental Watershed Protection) – Construction Phase Bid

August 19th, 2022

To all holders of Bid Documents, please be advised of the following:

Included within this addendum is the following information

1. Clarification of the forms provided within the frontend, specifically, EJCDC document C-435 - Bidding Bond Damages Form. This document is not required for this solicitation and can be omitted from the bid submission.

******* All other contract requirements remain unchanged. *******

The contractor is required to acknowledge receipt of this addendum in their bid submittal package.
