

# Sampson-Duplin Regional Hazard Mitigation Plan Public Meeting

**What:** Public meeting to obtain and incorporate community members' thoughts and concerns about the Sampson-Duplin Regional Hazard Mitigation Plan

**When:** June 15, 2020

"Come and go" anytime from 3:00 pm – 5:00 pm

**Where:** 224 Seminary Street, Kenansville, NC 28349

## Floods, Wildfires, Tornadoes, Winter Storms, Hurricanes...What Concerns You?

Do you have ideas for helping our community become better prepared for future natural disasters?

You are invited to come share your thoughts and concerns about your communities resiliency against natural disasters and leave your comments for the final decision-making process. There will be more public meetings as a part of the planning effort so don't miss this important opportunity to participate!

### About the Cape Fear Regional Hazard Mitigation Plan

The counties of Sampson and Duplin, in coordination with their participating municipal jurisdictions, are finalizing a regional hazard mitigation plan that covers the two-county Sampson-Duplin area. The Sampson-Duplin Regional Hazard Mitigation Plan identifies local policies and actions for reducing risk and future losses from natural hazards such as floods, severe storms, wildfires, and winter weather.
