

Board of Elections

As with most presidential election years, many people go out and perform voter registration drives. Legally, these drives can be performed by anyone. Our office has gotten several reports of these drives occurring in parking lots of stores around the county and also door to door in neighborhoods. **Duplin County Board of Elections is NOT associated with any of these registration drives.**

A couple of reminders:

1. You can fill out a voter registration online at www.ncdot.gov/dmv or we can mail you a registration form to send back to us.
2. The registration asks for your full license # **OR** the last 4 of your social security # (never give your entire SSN).
3. If you do not know your voting status, call us or look it up at www.ncsbe.gov/voting/voter-lookup
4. **IF IN DOUBT, DON'T FILL IT OUT!** If you feel uncomfortable giving your info at these drives, remember that you can always register online or come by our office to fill out a registration.
