## FREE INCOME TAX ASSISTANCE

Duplin County Services for the Aged, through its sponsorship of Tax Aide, will offer **FREE** income tax preparation again this year. Like last year, we will be using an IRS-approved **drop-off** procedure.

We will mail instructions to everyone for whom we prepared returns last year. **If you have not received your envelope by January 31<sup>st</sup>, 2023, call the senior center at 910-296-2140.**

**If your mailing address has changed** since last tax season, call the senior center at 910-296-2140 and ask for **Frankie Hobbs**, so we can get your new mailing address.

**If we did not prepare your return last year and you would like for us to prepare this year's tax return,** call the senior center at 910-296-2140.

If you have received anything from IRS or NC Department of Revenue, keep those with your other tax documents.

**If you have questions,**  
**call the senior center at 910-296-2140.**
